Uxbridge Newcomers & Natives Club

Are you new to Uxbridge?

Have you lived here a while, but want to make some new friends?

Welcome!

Uxbridge Newcomers & Natives Club

There are Newcomers clubs all over the world and hundreds in Massachusetts. They serve as a way for new people to make friends and learn about their town.

The Uxbridge Newcomers and Natives Club (UNNC) was founded in 2001 and is growing by leaps and bounds. The founding members hoped that the club would provide an opportunity for fun for all ages and a chance to get to know your community and neighbors. A variety of special interest groups meet regularly and the UNNC hosts at least one social or community outreach activity and one business meeting per month from September through June. These monthly activities are geared toward families, couples, and/or individuals. The club is always interested in new ideas for outings, activities, and special interest clubs. You may participate as much or as little as you like.
